PRESIDENTS REPORT

Thank you to all patrons and members of our Country Club. Without the continued support and work of the volunteers around the golf course, bowling green and inside of the club house our club would cease to exist. Thank you volunteers.

Special mention to Nathan and his ground staff, The Pro Shop and to the staff of the Country Club.

I would also like to thank Sharon Apperley who arrived when the finance situation could of been better. Sharon has struggled on a very limited budget and has had to implement many changes to maintain financial viability.

You will have noticed a few changes in the club with furniture donated by Doyalson RSL club, the loss of the No 2 Green for Bowls and improvements to the golf course. Money received from a Tooheys contract which we hope to use for a outdoor area.

Our condolences go out to the families who have lost loved ones during the year.

Finally on a personal note thanks to the board members who have come through a very difficult year. Most people do not realise the amount of time and hard work it takes to keep a club like this financial and successful.

MORISSET COUNTRY CLUB LIMITED
(ACN 001 050 960)

INDEPENDENT AUDITOR'S REPORT TO MEMBERS

To the Members of Morisset Country Club Limited

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Morisset Country Club Limited, (the "Club"), which comprises the statement of financial position as at 31 December 2017, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Morisset Country Club Limited, is in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the company's financial position as at 31 December 2017 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Club in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 3 to the financial statements which indicates that current liabilities exceed current assets by \$505,618 as at 31 December 2017. As stated in Note 3, these events and conditions, along with other matters set forth in Note 3 indicate that a material uncertainty exists that may cast significant doubt on the Club's ability to continue as a going concern and therefore whether it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the financial report. Our opinion is not modified in respect of this matter.

Responsibilities of the Directors for the Financial Report

The Directors of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO MEMBERS

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

Matters Relating to the Electronic Presentation of the Audited Financial Report

The auditor's report relates to the financial report of the Club for the year ended 31 December 2017 included on Morisset Country Club Limited's web site. The Club's Directors are responsible for the integrity of the Club's website. We have not been engaged to report on the integrity of this website. The auditor's report refers only to the statements named above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of this report are concerned with the inherent risks arising from electronic data communications they are advised to refer to the hard copy of the audited financial report to confirm the information included in the audited financial report presented on the Club's website.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

1 Statement of Significant Accounting Policies

Basis of Preparation

This financial report is a general purpose financial report that has been prepared in accordance with applicable Australian Accounting Standards - Reduced Disclosure Requirements and other authoritative pronouncements of the Australian Accounting Standards Board and the *Corporations Act 2001*. Morisset Country Club Limited (the Club) is a not for profit entity for financial reporting purposes under the Australian Accounting Standards.

The financial report has been prepared on the basis of historical costs and on an accrual basis. The financial report is presented in Australian Dollars.

The following is a summary of the significant accounting policies adopted by the Club in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Statement of Compliance

The financial report complies with Australian Accounting Standards - Reduced Disclosure Standards as issued by the Australian Accounting Standards Board (AASB), being AASB1053 Application of Tiers of Australian Accounting Standards and AASB201.2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

Income Tax

The Club was granted exemption from income tax under Section 50-45 of the *Income Tax Assessment Act (1997)* as a result of a private ruling issued by the Australian Taxation Office on 9 December 1997.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Borrowing Costs

Borrowing costs are recognised as an expense when incurred.

Trade and Other Receivables

All receivables are categorised under the requirements of AASB 139 *Financial Instruments - Recognition and Measurement* and are recognised initially at fair value and subsequently at amortised cost. All trade and other receivables are current. Trade receivables are generally due within 30 days from the date of recognition.

An allowance for doubtful debts is based on a review of outstanding balances at Statement of Financial Position date and is accounted for in a separate account. Indicators of impairment include where there is objective evidence of significant financial difficulties, debtor bankruptcy, financial reorganisation or default in payment (more than 60 days overdue). Bad debts which have previously been provided for are eliminated against the allowance for doubtful debts. In all cases, bad debts have been written off as an expense directly in the Statement of Comprehensive Income.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, demand deposits and other short-term, highly liquid investments with original maturities of 3 months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

Trade and Other Payables

Trade and other payables, including accruals, are recorded initially at fair value and subsequently at amortised cost. Trade and other payables are non-interest bearing. Trade accounts payable are normally settled within 30 days.

Financial Liabilities

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Comprehensive Income over a period of the borrowings using the effective interest method. Borrowings are classified as current liabilities unless the Club has an unconditional right to defer settlement for at least 12 months after the reporting date.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less any accumulated depreciation and amortisation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Depreciation is calculated on a straight-line basis over the shorter of either the estimated useful life of the asset or the length of the lease as appropriate:

The useful lives used for each class of depreciable asset are shown below:

Fixed asset Class	Useful life
Plant and Equipment	3 to 20 years
Leasehold Improvements	4 to 10 years
Poker Machines	4 to 10 years
Leased Assets	4 to 10 years
Motor Vehicles	8 years

Impairment

At each reporting date, the Club assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the Club makes a formal estimate of the recoverable amount. Where the carrying amount of the asset exceeds the recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognised in the statement of profit or loss and other comprehensive income in the administration expense line item.

Recoverable Amount of Assets

Recoverable amount is the greater of fair value less cost to sell and value in use. It is determined for an individual asset, unless the asset's value in use can not be estimated to be close to its fair value less cost to sell and it does not generate cash flows that are largely independent of those of other assets, in which case, the recoverable amount is determined for the cash generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset.

Leases

A distinction is made between finance leases, which effectively transfer from the lessor to the lessee substantially all the risks and benefits incidental to ownership of leased assets (finance lease), and operating leases under which the lessor effectively retains all such risks and benefits. Where a non current asset is acquired by means of a finance lease, the minimum lease payments are discounted at the interest rate implicit in the lease. The discounted amount is established as a non-current asset at the beginning of the lease term and amortised over its expected economic life. A corresponding liability is also established and each payment is allocated between the principal component and the interest expense. Operating lease payments are representative of the pattern of benefits derived from the leased assets and accordingly are charged to the statement of comprehensive income in the periods in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of an asset or as part of an item of expense. Receivables and payables are stated with the amount of GST included. The amount of GST recoverable or payable to the ATO is included as a current asset or current liability in the Statement of Financial Position. Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from the investing and financing activities which are recoverable from or payable to the ATO are classified as operating cash flows.

Financial Instruments Recognition and Derecognition

Regular way purchases and sales of financial liabilities are recognised on trade date - the date on which the Club commits to purchase or sell the financial assets or financial liabilities. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Club has transferred substantially all the risks and rewards of ownership.

Provisions

Provisions are recognised when the Club has a legal or constructive obligation, as a result of past events for which it is probable that an outflow of economic benefits will be required and that outflow can be reliably measured.

Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the Club and the revenue can be reliably measured.

Sale of goods - recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Rendering of services - recognised when the facilities (golf course, bowling greens) have been used by the members or guests.

Interest income - recognised as it is earned using the effective interest method.

Other income - recognised on an accrual basis.

Profit or loss on disposal of assets - brought to account at the date an unconditional contract is signed.

Employee Benefits

Short Term

Liabilities for wages and salaries, including non-monetary benefits and accumulating sick leave that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' service up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other Long Term

The liabilities for long service leave and annual leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period. Consideration is given to expected future wage levels and period of service. Australian Corporate Bond rates matching the estimated future cash outflow has been used.

The obligations are presented as current liabilities in the Statement of Financial Position if the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Comparatives

Comparative information has been adjusted to reflect current year disclosures.

Limited by Guarantee

The Club is an incorporated body having no share capital and the liability of Members is limited by guarantee. The registered address of the Club is Dora Street, Morisset, NSW 2264.

2 Significant Accounting Judgements, Estimates and Assumptions

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

2 Significant Accounting Judgements, Estimates and Assumptions (continued)

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Significant Accounting Estimates and Assumptions

The key estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of certain assets and liabilities within the next annual reporting period are:

Useful Lives of Non-Current Assets

The useful life of Property, Plant and Equipment is initially assessed at the date the asset is ready for use and reassessed at each reporting date based on the use of the assets and the period over which economic benefits will be derived from the asset. There is uncertainty in relation to the assessment of the life of the asset including factors such as the rate of wear and tear and technical obsolescence.

The estimates and judgements involved may impact the carrying value of the non-current assets and the depreciation and amortisation charges recorded in the statement of profit or loss and other comprehensive income should they change.

3 Going Concern

As at balance date, current assets totalled \$286,473 compared to current liabilities of \$792,091 giving a deficit of \$505,618 (2016: \$432,436). Despite these factors the financial report has been prepared on a going concern basis, that is the continuity of normal business operations and the realisation of assets and settlement of liabilities in the ordinary course of business.

The Directors are of the opinion that the going concern basis upon which the financial report has been prepared is appropriate on the following basis:

- The continued support of the landlord who to date has accepted rent below the amount agreed to in the lease (which expired December 2010). Withdrawal of this support would almost certainly result in the Club being unable to continue as a going concern.
- The budget for 2018 indicates the Club can operate in a breakeven cash position.
- Continued support of creditors and the Australian Taxation Office in making payment arrangements.
- Funds received from Tooheys (approximately \$20,000) which will be spent improving the clubhouse.
- Ability of the Club to obtain a loan prior to year end.
- Strategic planning and cost saving initiatives being implemented by management.

If the Club is unable to continue as a going concern, it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in this financial report. The financial report does not include any adjustments relating to the recoverability and classification of recorded amounts or to the amounts and classification of liabilities that might be necessary should the Club not continue as a going concern.
